

2010 Spring Dairy Expo Entry Rules

Breed Shows: Each breed must have at least 40 head entered by the March 1 deadline to remain active for that years show. If any breed does not meet the minimum number of head requirement the breed show will be canceled. The entry chairman will notify all breeders who did enter in that breed to advise them of the cancellation.

Ownership: To be eligible for competition, whether single or in-groups, animals must be entered exactly as ownership appears on the registration certificate. The registration certificate showing the most recent date of activity will be considered official. Registration certificates must be available for check-in by the breed superintendent at the time of arrival. **All registration papers will be held until the completion of the show.**

Transfers: Each breed will handle the ownership rules according to the rules established by the National and/or State Association. The rules by breed are listed below. If you need further clarification, please contact your State Breed Association contacts listed in show flyer.

Ayrshire - Junior animals must be owned solely by junior or in partnership with the juniors name on the official registration certificate. All animals must have an official certificate no showing on transfer papers will be allowed.

Brown Swiss - The animal must be registered in the name of the Exhibitor. The paper must be an official paper from the Brown Swiss Cattle Breeder's Association. Junior animals must be registered in only one (1) junior member's name at the time of the show. All junior animals must be in the junior member's name by the time the animal becomes two (2) years of age. Junior members who have an animal on a national lease program can participate in the national junior show. They will need to bring the lease paper along with the registration paper. The owner of the leased animal will receive recognition as the owner in the open show.

Guernsey - Positive, readable ID must be available by sketch or tattoo. No transfers allowed.

Holstein - This is a designated Spring National Holstein Open and Junior Show and will follow Holstein USA Open & Junior Show Ring Policy; which is available online at: http://www.holsteinusa.com/pdf/f2174_show_prog.pdf.

All Holsteins must be a minimum of 87% as indicated by their registration certificate. Holsteins can show on a signed transfer as long as the paper, signed transfer and transfer fees are turned into the breed representatives.

- **Premier Exhibitor & Breeder Points** – Point value system has been lowered on Dry cows to a 10-point scale. All other senior females will accumulate points on the 20-point system, and bulls, junior females and dry cows will be on the 10-point system.
- **Premier Exhibitor:** For premier exhibitor calculations the exhibitor of an animal will be as ownership appears on the registration certificate.
 1. Where a herd is registered in the names of different members of a family and where the herd is one unit, all entries may be considered as the result of one exhibitor.
 2. Partnership or syndicate animals will be calculated as exhibited by the partnership or syndicate and not by any single partner or syndicate member.
- **Breeder Defined** – The owner of the dam at the time of service shall be considered the breeder of the animal. Where a herd is registered in the names of different members of a family and where the herd is one unit, all entries may be considered as exhibits of one breeder.

Jersey - Showing on transfers will not be allowed. Exhibitors must have an official registration certificate.

Milking Shorthorn – Showing on transfers will be allowed for animals purchased within 30 days of the show. All animals must show in the proper class. Junior animals must list the junior's name, for example, John Doe of Doe Farms. The national black hair rule will apply.

Substitutions: Substitutions are allowed in the same class with the same-recorded owner or herd unit of the same breed. In addition, ONE open substitution (out of class) will be allowed per herd unit of the SAME breed. Once an animal has been substituted, the original animal entered shall be eliminated from the competition.

Dress Code: **ALL EXHIBITORS ARE REQUIRED TO WEAR WHITE TROUSERS** or white skirts and official harness when leading animals in the ring. Violators will not be permitted to enter the ring.

Premiums:-Premiums for 2010 will be: each heifer class winner will receive \$25 and each cow class winner will receive \$40 (if there were greater than 30 cows in the show the previous year) or \$30 (if there were less than 30 cows in the show in the previous year). There must be at least three animals shown in a class for additional premiums to be paid in that class. Ayrshire will pay 4 heifer places and 3 cow places. Holstein will pay 10 heifer places and 7 cow places. Jersey will pay 6 heifer places and 5 cow places. Brown Swiss, Guernsey and Milking Shorthorn will pay 2 places in each class that qualifies.

Quality Assurance Testing

- The Ohio Department of Agriculture has indicated that the OH Livestock Show Reform Act signed in June 1995; which includes all county and independent fairs, the Ohio State Fair, and all preview or jackpot shows or any exhibition over 36 hours in duration or has livestock whose origin is not OHIO, states Quality Assurance testing will be mandatory in the year 2010.
- In compliance with this Statute we are held to allow testing to be done at the SDE 2010.
- ***Quality Assurance testing means Ohio Department of Agriculture will be taking milk samples, ultra sounding udders, and visually checking for excessive manipulation of hair.***
